

**CANCER INSTITUTE (WIA)**

## Join the Pioneers in Cancer Care: The Cancer Institute (WIA)

Your Journey towards excellence starts here!

For over six decades, The Cancer Institute (WIA) has stood as a beacon of hope, tirelessly dedicated to the battle against cancer. As a public charitable voluntary institute, we've been at the forefront of cancer care, setting new standards, and touching countless lives. Today, we invite passionate and skilled nursing professionals to be a part of our esteemed institution.

### Why Choose The Cancer Institute (WIA)?

- A Comprehensive Cancer Center: Our 545-bed hospital is a haven of healing, offering cutting-edge treatment and compassionate care
- A Hub for Research Excellence: Our research division is at the forefront of cancer research, pioneering breakthroughs that shape the future of cancer treatment
- College of Oncological Sciences: As part of our team, you'll have access to world-class education and professional growth opportunities
- Dedicated to Prevention: Our Division of Preventive Oncology works tirelessly to create a cancer-free world

### Our Commitment to Care

Of our 545 hospital beds, 60% are dedicated to providing free care to those in need. We believe in comprehensive care for all, from prevention to cure while the rest pay a nominal amount. At The Cancer Institute (WIA), we leave no one behind in the fight against cancer. We follow high standards of ethical practices.

### Join Us as a Staff Nurse

Are you a dedicated nursing professional with a B. Sc in Nursing or a General Nursing and Midwifery (DGNM) qualification? We invite you to embark on an extraordinary journey with us. This is your opportunity to work alongside experts in cancer care, gain invaluable experience, and make a real difference in the lives of patients.

### How to Apply:

Are you ready to take the first step?

You can apply in three convenient ways:

- ✓ Email: Send your application to [hr@cancerinstitutewia.org](mailto:hr@cancerinstitutewia.org)
