

CANCER INSTITUTE (WIA)

(REGIONAL CANCER CENTRE)

ADYAR, CHENNAI- 600020.

Notification for Research Associate / Project Associate / Research Assistant positions at Cancer Institute (WIA)

Applications are invited for several positions at the levels of Research Associate / Project Associate / Research Assistant for DBT/ Wellcome Trust India Alliance funded project in the Department of Molecular Oncology, Cancer Institute (WIA), Adyar, Chennai - 36.

Project Title: PEACOCC: Pan-India Early-onset Colorectal Cancer Consortium

The project aims to comprehensively characterize early-onset colorectal cancer in India. The study at this site will involve microbiome and metabolome profiling and screening for specific CRC associated pathogens.

1. Research Associate

Qualifications: The applicants should hold a Ph.D. degree in Bioinformatics or Life sciences (Microbiology, Biochemistry, Molecular Biology, Genetics, etc.), with a good academic record.

Desirable experience: The candidate is expected to manage and conduct the microbiome and metabolome analysis. Preference may be given to the candidates with proven record in the form of publications in handling and analysis of microbiome data from next generation sequencing.

Salary / Stipend: 47000 + 24 % HRA

2. Project Associate I (Junior Research Fellow)

Qualifications: M.Sc. in Biology / Life Sciences (Microbiology, Biochemistry, Molecular Biology, Genetics, etc.) with first division or equivalent grades with or without NET / GATE qualification.

CANCER INSTITUTE (WIA)

(REGIONAL CANCER CENTRE)

ADYAR, CHENNAI- 600020.

Desirable experience: The candidate is expected to demonstrate hands-on in molecular biology techniques including Sample processing, PCR, histological staining, Immunohistochemistry, and experience in Next Generation Sequencing. Preference may be given to the candidates with research interest and experience as per requirement of the project.

Salary / Stipend: 31000 + 24 % HRA (NET / GATE qualified)
25000 + 24 % HRA (if they are not NET/GATE qualified)

3. Research Assistant

Qualifications: B.Sc. or higher degree (with minimum 55% marks) or higher, in Life Sciences / Biotechnology or any related field.

Desirable experience: The candidate is expected to demonstrate basic laboratory techniques and coordinate with surgical oncology and pathology for sample collection and processing. Preference may be given to the candidates with experience and DMLT certification.

Salary / Stipend: 20000+ 24 % HRA

Duration of the project: 5 years

Application Procedure:

Detailed bio-data may be submitted to b.mayilvahanan@cancerinstitutewia.org
