

**CANCER INSTITUTE (WIA)**  
(REGIONAL CANCER CENTRE)  
ADYAR, CHENNAI- 600020.

**Notification for post of Research Associate at Cancer Institute (WIA)**

Applications are invited for the post of Research Associate in DBT/ Wellcome Trust India Alliance funded project at the Department of Molecular Oncology, Cancer Institute (WIA), Adyar, Chennai - 36.

**Project Title: PEACOCC: Pan-India Early-onset Colorectal Cancer Consortium**

The project aims to comprehensively characterize early-onset colorectal cancer in India. The study at this site will involve microbiome and metabolome profiling and screening for specific CRC associated pathogens.

**1. Research Associate**

**Qualifications:** The applicants should hold a Ph.D. degree in Bioinformatics or Life sciences (Microbiology, Biochemistry, Molecular Biology, Genetics, etc.), with a good academic record.

**Desirable experience:** The candidate is expected to manage and conduct the microbiome and metabolome analysis. Preference may be given to the candidates with proven record in the form of publications in handling and analysis of microbiome data from next generation sequencing.

**Salary / Stipend:** 47000 + 24 % HRA, with the possibility of promotion to RA II after two years based on performance.

**Duration of the project:** 5 years.

**Start date of the post:** As soon as possible.

**Closing date for applications:** Open until filled.

**Application Procedure:**
